

JUNO SPARKLING SAUVIGNON BLANC NV

🌿 JUNO ~ THE ART OF WINE 🌿

Inspired by Juno, the Roman goddess of strength and creativity, this sparkling Sauvignon Blanc is a tribute to bold character and the untamed beauty of the Cape. Crafted with care from hand-selected vineyards, it captures the perfect balance – crisp citrus and tropical fruit lifted by lively bubbles, where tradition meets innovation. Every swirl reveals depth; every sip, a canvas of vibrant expression.

Raise your glass to art. To passion. To possibility.

VINIFICATION

This Sparkling Sauvignon Blanc base wine is made in the traditional method, harvested by hand and gently whole bunch pressed at low pressures. The juice was settled overnight and racked clean before fermentation. Fermentation took place at low temperatures in stainless steel tanks, after the primary fermentation; the wine was stabilised and prepared for the secondary fermentation in bottle.

TASTING

A fun, fruity and fresh Sparkling Sauvignon Blanc. Light green in colour with fine bubbles. The nose burst with lemongrass, fennel and grassy notes. The palate carries green and yellow apple with sweet peach and distinctive passion fruit coming to the fore offering a well-balanced sparkling wine. Sweet fruits linger on the aftertaste with a refreshing finish, perfect for a hot summer's day.

Enjoy now or within the first two years while still young.
